Dear Parent/Carer,

**Class of 2019 (Year 10) Mock Exams & Sixth Form Vision**

Year 10 pupils are now half way through their GCSE courses. In order to prepare your daughter/son we have our first set of mock examinations after the Easter holidays. Attached to this letter is the **Year 10 Examination timetable (Tuesday 12<sup>th</sup> April – Monday 18<sup>th</sup> April)**. Pupils should come to their exams fully prepared with the following equipment:

- A scientific calculator (for all science & maths calculator papers)
- Black biro, pencil, rubber and ruler
- All in a clear transparent pencil case.

On **Wednesday 27<sup>th</sup> April** your child will receive their results in their spring term 2 report during Civitas. In this report your child will receive their mock 1 results and course average result, predicted grade i.e. what your child's teacher believes your child will gain if they continue with the same mind-set, focus and attendance through to the end of the course and their target grade.

Following our mock examination we will be launching our Sixth Form vision, curriculum and ethos to all interested parents/carers and pupils on **Monday 18<sup>th</sup> April from 6pm – 7pm**. Pupils do not have to attend in their school uniform.
