24th November 2015

Dear Parents & Carers,

Year 8 MFL Christmas Market Trips to Aachen & Brussels

Due to the on-going security situation currently in Europe, I regret to inform you that I will be postponing both the Germany and Belgium trips scheduled for next week until the New Year.

I will be in touch regarding a new date once the school is happy that it is safe for our pupils to travel in these areas, based on government advice.

I hope you understand the reasoning behind this decision. For the trips that we reschedule, I will have to change the focus of the trips, as the Christmas markets will no longer be available. I will endeavour to find suitable activities to give the Year 8 pupils a trip to remember, in support of their learning in Modern Languages. Apologies for any inconvenience caused.

Yours Sincerely,

Beth Sherman
Head of MFL
