			(Reading - 35/50)		Food Technology Coursework F.03/S.04				

All exams will take place in the Sports Hall except Music, languages listening, Drama, Art and Product Design

Pupils with extra time and those with readers and scribes will sit their exams in classrooms on M floor

Pupils will register in House bases (see right) and use these rooms as their study bases when not in exams

A Pupils who do both of these subjects will do Geog in this session and PE Thurs 1100/1400

B Pupils who do both History and Food will do History here and have a study session in the next session

C Pupils who do more than one of these subjects will complete Art / Product Design on Tues 19th

There will be different seating plans in the sports hall for each paper. Pupils should familiarise themselves with their seat letter and number in advance.

10 mins before exam start times, pupils should be sent (brought for **core exams**) to the tracks area. They should line up in front of the letter of their row in silence.

Subject leads will speak to pupils outside the hall with any key reminders. In the hall only the formal instructions will be read out by the exams officer / exam lead.

Pupils should not write anything or read anything beyond the front cover of exams until instructed.

Pupils should maintain silence from line-up until they are out of the exam hall, unless they have explicit permission to speak.

EXAM REGULATION REMINDERS

Portfolios and all other non-exam items should be left in study bases

Water bottles must be transparent and labels removed

Pencil cases must be transparent

Glasses cases should be left on the floor and will be checked

Mobiles should not be on your person in the exam hall - even if switched off

Calculators permitted for specified exams - covers must be taken off and placed on floor

No equipment will be given out in exams - come prepared!
