## Exceptional GCSE Results at Bolingbroke Academy

Congratulations to all our Year 11 pupils for their exceptional GCSE results. This year's Year 11 sat new GCSE examinations in all three Sciences, Humanities, languages, Art, Food Science and PE. Over 50% of our pupils' grades were 9-6 (A\*-B equivalent to previous grading system) with incredible attainment across all subjects.

All our EBacc subjects performance superbly:

In our sciences pupils achieved **100% 9-4 in Biology, Chemistry and Physics, Combined Science 75% 9-4** supporting our STEM specialist Sixth form with a record number of students for this year Sixth form cohort.

Our Humanities results were exceptional; **History 93% 9-4 & 86% 9-5, Geography 76% 9-4 & Religious Studies 100% 7+**.

Our pupils GCSE results are a testament to our pupil's hard work, determination and courageous attitudes to excel in their futures. I would like to thank all the teaching staff, academic support staff and operations staff for all their exceptional work to support and empower every child to BE BOLD throughout their secondary education.

The governors and I would like to wish every Year 11 pupil all their net steps and to the vast majority who are returning to Bolingbroke Academy Sixth form, I look forward to launching our seventh academic year.
