IMPORTANT NOTE - Applying for a transfer to another school

Here are some questions to help you to decide whether or not to apply

- Moving your child to a different school is a big step. Unless you have changed address and the journey is too far, will a change of school **really** benefit your child?
- Problems at school can often be sorted out without the need to move schools. Will a change of school solve the problem, or could it make things more difficult? If your child wants to change schools, why is this? Talk to the Headteacher to find out how the present school can help before applying for another school.
- How will your child cope in a new class where everyone else already knows each other?
- Will your child be able to get to the school on-time every day?
- How much will a new uniform cost?
- If your child is receiving additional support in school, will the level of support be available in another school?
- If your child has chosen and started their examination course options, will they be able to study the same subject or course in another school?

How your application will be processed

- We will acknowledge receipt of your application and check the information you have provided.
- We will refer your application to the highest preference of the schools you have applied for which has a possible vacancy.
- Your child's present school may be asked by the school you have applied for to provide some background information.
- The school you have applied for may ask you to attend a meeting to discuss your application.
- You will be sent a letter saying whether or not a place can be offered.*
- If a place can be offered, you will be asked to accept it. The new school will then arrange a date for your child to start. This may not be until the beginning of the next term or half-term and your child must attend their present school until then.
- If a place cannot be offered, we will refer your details to any other schools you have applied for which have a possible vacancy.
- If a place cannot be offered at any of the schools, we will write to tell you. You may request that your child's name is placed on a list of unsuccessful applicants with a continuing interest in a place. However, there is no guarantee that a place will become available and your child will need to remain at their present school.

Please note that the application process can take some time and that applications for a transfer are not given priority over applications for children who are not enrolled in a school.

* The decision whether or not to offer a place is made by the Admission Authority for the school. Wandsworth Council is the Admission Authority for Community schools and the School Governors are the Admission Authority for Academies (including Free schools), Foundation and Voluntary Aided schools.
