

KS4 Summer Assessment Guidance:

- 1 Summer assessment period is from Monday 8th June until Friday 19th June 2020. Pupils will sit their assessments during their regular lesson time.
- 2 Be set up at your computer with all your subject specific resources at least 10 minutes before the allocated start time. Unless otherwise stated, you must be ready online at 09:50 for a 10:00 assessment start, 11:20 for an 11:30 assessment start and 13:50 for a 14:00 assessment start.
- 3 Access pupils who are entitled to access arrangements and reasonable adjustments in assessments will receive amended instructions regarding timings in advance.
- 4 In all subjects' teachers will be explaining how you will be expected your assessment. This will usually be using Class Notebook and Microsoft Teams Submission
- 5 Before the start of each assessment you will need to check you have:
 - Access to a computer that is connected to the internet.
 - Access to Microsoft Teams and Class Notebook
- 6 Put your mobile phone away in another room.
- 7 Give each assessment your best effort.
- 8 Every assessment will be completed independently with no collaboration with others.
- 9 The instructions will clearly state how the assessment should be completed (e.g. typing/writing) and how it should be submitted. Each assessment is timed – if you submit your work too late, this will be considered during marking. We realise that uploading may take a couple of minutes once you have finished typing/writing.
